Otago Polytechnic Database of Research Outputs:

Staff are expected to keep a record of their research outputs for inclusion in the Annual Report and for the developing of 'evidence portfolios' for the Performance Based Research Fund (PBRF). Outputs should be entered on the Research Database. To log onto the database go to the "Inform" log-in on the Polybase homepage. Once logged in, access the database under the "Research" heading. If you require offsite access then please contact ITS to request a Citrix connection.

Research Software:

Copies of Endnote and SPSS are available on all networked computers. A limited number of licences are available for NVIVO. To access these contact the ITS Helpdesk ext 8039.
